HOSTETTER'S STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficiency in disease of the Stomach, Liver and Bowels.

Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element, no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of African sarsaparilla.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge, and thousands who resort to it to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine.

Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkali, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting on a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it the return of the complaint may be prevented.

As a general Tonic, Hostetter's Bitters produce effects which are long experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Deceitful arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-energize and re-establish them.

Last, but not least, it is the only safe Stimulant, that can be manufactured from innocuous and pure materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "blown away" like chaff.

On the other hand, a great antidote that performs all its promises, and even more than its proprietors claimed for it on its introduction, is "not for a day, but for all time."

No family medicine has become so universally and so truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by Hostetter & Smith, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere. Nov. 10, 1863, 1 yr.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follows Impotency, Fatality, Epileptic Fits, in one of which the Patient may expire. When any of these symptoms are not frequently followed by these Direful Diseases, "Involuntary Consumption."

Many are aware of the cause of their suffering, but none will confess the records of the insane ascribed to them, and the fact that by consumption bear ample witness to the truth of the assertion.

The Constitution once effected with Organic Weakness requires the aid of Medicine to strengthen and invigorate the system, which Hembold's Extract Buchu does. A trial will convince the most skeptical.

Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" was, by the use of "Powerful Strictures" been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

From Rec. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines, and through distrust of their ingredients and effects, I was induced by sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that it may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture.
